Mr. I. Tennenbaum

Ugarteche 3322

Buenos Aires

ARGENTINA

Your kind condolences upon my 65th birthday touched me very much. Yet it was soon borne upon me that my 66th would dawn before I got them all acknowledged, though I flatter myself I am not unused to toil. So you will not take it amiss if I avail myself of this little device to send you my warmest thanks and good wishes in return.
